Downloading eBooks to Kindle Reading Devices

FINDING eBooks

Go To: dbooks.wplc.info

1. Sign in

In the top right corner click sign in. Type your library in the search bar and select it from the populated results.

To sign in, please type your library's name and select it from the list.

Enter your library card and PIN number.

Call or visit your library for your PIN. Click **sign in**.

2. Search

Use the search bar on the top of the screen.

Click **Advanced Search** to limit search parameters (e.g. subject, format, etc.).

Use the advanced search to limit results to **Kindle Books**.

3. Browse

Click **menu** and a drop down with various eBook collections for you to browse will appear. In the left hand column you will be able to filter by **available now** and **titles to recommend**.

DOWNLOADING eBooks

1. Found a book?

Hover over the cover and select **Borrow** or **Place Hold** if the title isn't currently available.

2. Download

Click **account** and go to your **Bookshelf**. Click the **Download** button and choose **Kindle Book** as the format. Click **Confirm & Download**.

3. Amazon.com (library partner for Kindle books)

You will be taken directly to Amazon.com. Sign in using your Amazon.com account.

ADDITIONAL TIPS...

Books that have a **light gray book** in the corner are not currently available to borrow.

Books that have a **dark gray book** in the corner are are currently available to borrow.

Extend the lending period

If you would like to keep a title for more than 7 days, click **Settings** to increase checkout time.

DOWNLOAD WITH WI-FI

From your amazon account. Choose a Kindle device or reading application for delivery of your title and select **Get Library Book**. The book will be automatically send to your device and you are ready to read! (If the book does not immediately appear, choose "Sync" from your settings).

DOWNLOAD WITHOUT WI-FI

You may need to download the book to your computer and then transfer it via USB cable (Note: Some books will require this step regardless of Wi-Fi connection).

1. From Amazon.com

Choose your device and select **Continue**. You will be given the option to **Download Now**.

2. Connect Kindle to your computer

From your default downloads location, select the downloaded file and drag it into the "documents" folder of your Kindle. Disconnect and you are ready to read!
