Friday, 8/13 (Time TBD) **Colossal Fossils** interactive natural history program – at the Soldiers Grove Public Library (all ages)

In addition to these programs, we are offering a reading incentive program from June through August to encourage children to read over the summer. Participants can use paper reading logs to record their reading, or may try using Beanstack, an app that allows users to record reading and other activities while earning virtual badges. Upon completion of the program, each participant will win a prize pack that includes a coupon for Pizza Hut! This program is for children ages 3 to 17. Please stop by the Library to sign up!
